

Announcing a Great Opportunity for Our Vendor Friends to Partner with California PRIMA

California PRIMA would like to offer you the opportunity become a sponsor for our upcoming Legislative Workshop, to be held on May 13th at the Sacramento Hyatt Regency. Becoming a California PRIMA sponsor enables the Chapter to continue the many worthwhile projects we work on throughout the year and to develop new endeavors in order to fulfill our goal of providing California's Public Risk Managers with the best programming, event locations and our endeavor to advance the Public Risk Management profession. We choose to keep the membership dues, workshop charges, and other expenses reasonable to make them affordable for our members and vendor colleagues but this leaves little funding available to expand our Chapter activities. We are optimistic that the financial support garnered under this program will enable us to broaden and improve the quality of our activities.

Your contribution of \$1,000 will entitle you to receive the following:

- One (1) free admission to the Legislative Workshop.
- The opportunity to exhibit (table top).
- Your Organization will be noted as being a sponsor on all advertisements, notices and on appropriate conference materials.
- Recognition of your support will be noted on the web site and special mention of your organization's generosity and participation will be broadcast far & wide.

We thank you in advance for your consideration of this partnering opportunity. We trust that you will continue to work with us in the coming years as California PRIMA builds our membership and our commitment to the Public Risk Management profession. We firmly believe that we have a dynamic, motivated Chapter and our goals and accomplishments are restricted only by our limited income. If you have any questions, thoughts or comments about this exciting new opportunity, please call:

Joe Sanchez (909) 396-2038
Lauren Farley (949) 644-3302

We hope to hear from you soon.

Thank You.
